

PULLMAN-HOLT

Introducing Pullman-Holt's "Gloss Boss" Mini Scrubber/Polisher

The new "Gloss Boss" scrubs, cleans and polishes tile, wood, stone, marble, concrete and a wide variety of other hard floors. Plus it removes stubborn spots and stains from carpets. Best of all, you can clean all these surfaces to professional results by simply combining Gloss Boss with any household cleaning spray product. It is without question, the easiest-to-use twin brush domestic floor machine offered today. It is also the first machine in its class to use micro-fiber-cleaning technology – the latest, most advanced material for surface cleaning. Lightweight, yet rugged, "Gloss Boss" is constructed of an ABS motor housing and steel handle. Includes twin scrubbing brushes, microfiber pads, carpet bonnets and four felt pads.

Specifications:

120 volts, 60HZ
