

Full-Size Performance from a Sub-Compact Machine

Carpet & Upholstery Spotters

Don't let the small size fool you – Michael's Spotter Extractors are a couple of powerhouses. Perfect for the occasional job, or for the serious auto detailer, these machines pack a lot of power into a small package. Available in two models: the cold-water S-300, and the heated S-300H.

S-300 Features:

- One of the most powerful vacuum motors in its class producing 85" of water lift for maximum extraction
- Compact tank capacity of 1 gallon, easy to transport and store
- Convenient one-switch operation and easy-to-open caps on solution and recovery tanks
- Durable roto-molded housing

Includes:

- 4" 8400P Air Lite™ upholstery tool
- 8' vacuum and internal solution hose combo
- Heatguard Hose Wrap
